

Lime Tree House Summer 2022 Newsletter

Exciting news!

MOUNTLANDS TRUST LIMITED

Lime Tree House is thrilled to be able to support the UK field by providing Christian Science nurses training at Lime Tree House.

Lime Tree House is working with Le Verger, an accredited Christian Science nursing facility in Switzerland, who also has an accredited Christian Science nurses training programme.

Lime Tree House has continued to pray to see how it can best meet the field's needs. The recent need has been to provide training for Christian Science nurses, whether they are newly interested or have started their training.

Both the classroom and mentoring part of the training can now be completed at Lime Tree House. This training is extremely flexible and supports each individual interested in training to find the

best solution for **individualised training programmes**, often providing one to one training.

If you are interested in any aspect of Christian Science nurses training please do be in touch with our Deputy Manager and Le Verger Instructor, Wendy de la Harpe at wendydelaharpe@gmail.com

Since we started this exciting new project we have provided both level 1 and level 4 classes and seen 3 Christian Science nurses become Journal listed!

We have now successfully obtained a Sponsorship License so that we can support those needing visas to apply for training here.

Providing Christian Science nurses training will not only support Lime Tree House to continue to provide the **outstanding care** that Care Quality Commission judged it to

provide, and also to continue to achieve full accreditation by the Commission for Accreditation of Christian Science Nursing Facilities and Organisations, but also to support the wider UK field by having more Christian Science nurses available in the UK.

This exciting project which is **already bearing much fruit** has required Lime Tree House to finance it so far, but **we cannot continue to do this without significant additional financial support from the field.** Please help to support this essential work for the future of UK Christian Science nursing by visiting our website www.limetreehouse.org.uk where there is information on how you can donate. Please do contact us for more information on how you could support us! **Any donations will be greatly appreciated.** limetreehouse@btconnect.com

Gratitude for our staff

We are immensely grateful for our wonderful staff team. Their love, inspired dedication, and selfless service have been outstanding. Each member of the team has provided loving support to each other, making Lime Tree House a place of joy, progress and healing.

It's a joy to work in a place where everyone is cherished and feels it!

New Journal listed Christian Science nurses

What a joy to welcome three new Journal listed Christian Science nurses and to celebrate with them. We recently held a party to celebrate Gill Humphreys and Courtenay Rule's Journal listing. Gill had achieved this during lockdown and we had been unable to have a party so we had a joint party recently with Gill, and Courtenay, who became Journal listed in April this year. John Hood has just become Journal listed In June and so we've just had another party to celebrate!

Huge congratulations and great gratitude to them all 😊

Board Members.

Our board members continue to provide excellent and experienced support to the house. We wish to thank Gina Woods Jack who has recently retired from the Board after many years of loyal and dedicated service.

We are grateful to welcome Gillian Fraser from North Wales who has just joined the board.

Our current board comprises of Alison Hughes CS, (Chair) Ruth Kennedy, (Dep Chair), Hazel Bishop CS, Gillian Fraser and Marian Hossell

Please join us for our Online Open Day

Jubilee Party!

We recently celebrated the Queens Platinum Jubilee with singing, lovely food, and enjoying the wonderful festivities on the TV

Care Quality Commission

LTH achieved an overall rating of 'Good' from the CQC, following their unannounced visit in August 2017, and a rating of '**Outstanding**' for our care. We continue to retain this rating after online reviews by the CQC, the latest being completed on 9th June 2022

Thank you for your support. Everyone at Lime Tree House sends lots of love to everyone reading this!
